I would like to welcome new staff members to the school community:

- Mr Albert (Pate) Finau (English)

- Michelle Emslie (Community of Learning)
- Robyn Chavez (Community of Learning)

Also, Mr David Ryan takes up a permanent position in English after completing his 2 years training with the College through the teach First NZ programme.

At the start of the school year it is always timely to remind ourselves of our foundations, values and why we are here.

## Principal's Message continued:

### Some key points at the start of 2020:

The 2019 Theme was: "Kua tawhiti kē to haerenga mai, kia kore e haere tonu." "You have come too far not to go further ...". That theme reflected the rich history that exists at Wesley College in its 175th jubilee year, but also points to the future and the idea of being better and bolder.

Each year we will have the theme in different languages to reflect our school cultures.

Our theme for 2020 is based on leadership and service:

**'O le ala i le pule ma le manuia o le tautua'**  
**'the path to leadership and success is service'**

This theme is valid for all the school community - continuing to develop and build leadership in our young people and staff.

We continue to roll out BYOD. All Year 9, 10, 11 and 12 students will be required to have a device in term one this year. The Trust Board will subsidise the purchase of the computer which may be paid-off over two or three years if families wish. Students will get to keep and use their own computer and we believe it will have great benefit for student outcomes. Please see further info in this newsletter.

For the past few year's we have been scrutinising student absence. Still, too often at Wesley, students frequently return late to the hostel after the weekends and holidays or are withdrawn from school far too often. I have talked to this many times and I urge you to consider the impact this has on student learning. If you wish your son/daughter to have leave please advise directly to the Principal.

Official overall school NCEA and UE results will be available by the end of February. We are expecting a continuation of the fine results achieved over the past few years.

Please see elsewhere in the newsletter the details for the start of the year for boarders and day students.
