2. Policy Purpose

Wesley College School Board is committed to ensuring that it has and maintains School Policies and related resources to effectively govern the school and that policies and resources are managed in a manner that is compliant and consistent with legal and regulatory requirements, the Schools special character, culture and values.

This policy defines a Wesley College Policy, explains the relationship to related resources, and describes the key expectations, requirements, and methodology throughout the policy lifecycle, including policy development, review, implementation and maintenance.

All Wesley college policies will as part of a standardised policy framework and process be based on the following guiding principles:

Policies align with and strengthen the College mission, vision, and values, and take account of secondary education leading practices

The policy process map creates clear ownership and accountability in the policy development, review, implementation and implementation process

The policy process map enables an efficient and collaborative policy management process and recognises the importance of engaging staff and stakeholders in the development and review process

Policies, procedures, and related resources are in a consistent and accessible format and written as clearly as possible

Policies are maintained in a user-friendly, organized, central repository to increase awareness and mitigate risk

Policies and related resources are kept up-to-date and compliant with relevant requirements

3. Scope and Application

This policy applies to the development, approval, implementation, and maintenance of Wesley College Policies, procedures and process. All staff, students, stakeholders and associated persons affected by Wesley College School Board Policies and related resources are expected to comply with this policy.

Final approval of all Wesley College School Board policies may only be approved by the School Board.

4. Extra Ordinary Review procedure

If a policy requires emergency creation, review and approval due to legal, regulatory, statutory, or other requirements then the School Board may review any policy earlier than the scheduled review date to meet school needs.
