SCHOOL BOARD

Greetings to all Wesley College stakeholders.

The School Board is required to review and approve policies on a regular basis. The school has a Policy Subcommittee of the Board for this purpose. The Policy Subcommittee has reviewed 3 policies and is now seeking any feedback from the community on these 3 policies as part of consultation. The policies can be found on the school website www.wesley.school.nz under school policies/school board policies for consultation.

We encourage people to read the policies and provide any feedback by 5pm Friday June 9th 2023 at 5.00pm by sending feedback to: BarbaraN@wesley.school.nz

The policy subcommittee will review any feedback.

Blessings,

Mrs S Tala'imanu - Board member

Dr Shane Edwards - LSM
