

**SMOKEFREE ENVIRONMENTS AND REGULATED PRODUCTS
POLICY**

RATIONALE

The Wesley College School Board recognises the statutory restrictions placed on smoking and vaping on the school property and the need to reduce the exposure of all staff, students and visitors to its harmful effects.

PURPOSE

The purpose of this policy is:

- To ensure that all staff, students and visitors to the College comply with the Smokefree Environments and Regulated Products Act 1990 (the Act).
- To ensure that all staff, students and visitors are aware that the school property is a smoke-free and vape-free area.

POLICY STATEMENT

The board will:

- Advertise and promote that it is a Smoke-free and Vape-free school and environment.
- Acknowledge that Wesley College is supportive of those who are seeking to quit smoking and vaping.

The Wesley College School Board approved this Policy July 2021.
This policy will be reviewed on / before the July meeting 2024.
