## Holy Bible

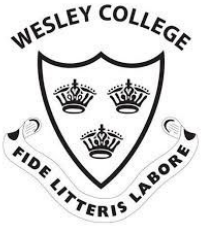

Proverbs 24:16

For the righteous falls seven  
times and rises again, the  
wicked stumble in times of  
calamity. Through Christ we  
have been made righteous,  
which means when we fall  
we will rise again.

**Te Wiki o te Reo Māori is an annual celebration for all New Zealanders to show their support for the Māori language. :-)**

**Fun fact: Te Reo Māori is 1 of 2 official languages of this country, the other language is New Zealand Sign Language. English is a defacto language and lacks the official status under the law making it NOT an official language but a language that is mostly spoken therefore common. :-)**

**This years theme - Ake, ake,ake - A forever language**

**It represents the *resilience, adaptability and endurance* of our language. It also reflects the commitment New Zealanders have to embracing and learning te reo Māori long into the future.**
