Tēnā koutou, musicians and Music staff!

The SMOKEFREEROCKQUEST (SFRQ) **Manukau Heats will be held at The Dorothy Winstone Centre, AGGS, on Sat 17th May, starting at 11.00am.** Session times and provisional running order are listed below.

Please arrive at check-in 30 minutes before your session start time.

This information also being sent to the music teacher of each act.

Please forward this on to everyone else who needs to know them. If there are errors or any acts missing from this list, please email help@smokefreerockquest.co.nz ASAP.

Tickets for audience members are door sales only, and will be on sale from 30 min before the first act of the day. Prices for this event are \$15 for students and \$20 for adults. (Teachers, and Children 5 years and under - no charge).

Regional Heat day info

Each band and solo/duo will play one song only (up to 4 min.) There are no soundchecks.

Level 3 Music Performance assessment - If your heats performance is being filmed for this, you are allowed to perform two songs as a set. In this instance, we will assess the first song only – just let us know at check-in on the day of if you are doing this.

This year, there will be no prize-giving at the end of the heats. We will announce the results at midday on the following Monday. The results announced will be the Regional winners of the Solo/duo category, The Rockshop Best Use of Electronic Assist Award, and the bands who will move onto the Regional Final level. There is no expectation for you to stay until the end, although you can, unless the venue is full.

Lyric award entries can be handed in at the heats. (Entry form is available in the resource section of your portal, and also available at the heats)

Performance

All songs must be original songs. For our purposes, an original song is a song written by one or more of the students listed on your entry form, and you must have the right to perform/record/release any song you use. (Songs co-written by anyone not on your entry form are not eligible).

All entrants must use the amps, drums, sound person, lighting person, and P.A. provided.

You will need to bring your own guitars, basses, keyboards, keyboard stand and effect pedals.

There is a ROLAND JUNO-DS76 keyboard provided on stage which you can use if you wish to.

There will be 1 lead with each amp. You will only need extra leads if you use effect pedals.

Guitar amps have foot-switchable distortion.

There will be people to tune you up backstage and help you set up. If you are using elements of Electronic Assist, please prepare these for a quick and simple set up. Please note that we don't provide any devices for playing audio files- you need to bring your own laptop etc.

Microphones will be disinfected/recovered after each usage.

If you have any questions or issues, email Emma at help@smokefreerockquest.co.nz

See you there,
